A Workshop with
Hrvoje Njirić

Analyse and find 3 socially agreeable spots in
Kriva Palanka for a new intervention

Propose a suitable (missing) main program for it

Add two temporary (occasional) ones as a hybrid condition

Establish a relation of the immediate urban environment
to the proposal

Define the structure and The Process of implementation

Make a choice of suitable (second hand) materials for
the house

Cultivate the everydayness as an overall appearance

Build a 1/10 - 1/20 scale model and

Prepare a public presentation

Students interested in participating should send a short CV,
by June 28th, 2006, to: ssarch@arh.ukim.edu.mk

The participation fee of 50 euros covers meals and
accommodation during the workshop and transfer from
Skopje to the monastery.

Students are expected to cover their travel expenses
to Skopje.

For all information write to: ssarch@arh.ukim.edu.mk
